

Pick-up for Cremation Services:

If your pet passes naturally at home Gentle Goodbyes is happy to assist with the aftercare. We understand that this may sometimes be a very emotional, physically difficult or unpleasant task for you. We are here to help.

In order to insure the health and happiness of the Gentle Goodbyes staff we need your assistance in meeting our minimum requirements:

1. Your pet should be wrapped in a clean sheet or blanket.
2. There must be easy access to your pet's remains. Gentle Goodbyes staff will not remove pets from difficult or hard to reach areas.
3. We ask the area around your pet be cleaned and free from any body fluids. We also ask that the material your pet is wrapped in also be free of any excess fluids.
4. Please provide our phone person the date and time of your pet's passing and any circumstances which may vary from our pick-up requirements.

Charges:

Small Animals: There is a \$25 pick-up charge plus the cremation fee. The cremation fee is based on the weight of your pet and the type of cremation, Private, Segregated, or Communal.

Larger Animals: If you are able to assist our staff member in transporting your pet to our vehicle the delivery charge remains \$25. If not or if pet requires another Gentle Goodbyes' staff member the charge is \$50

* If you live outside of the central Boise or Meridian areas than travel fees will apply for our pick-up services.
